Pricing, Payment & Service Information		
<p>The cost of the Search Engine Optimisation work is \$120 (+ GST) per for a minimum term of six months. By signing and submitting this order form you agree to these charges. The Search Engine Optimisation work detailed above is for the optimisation of one page of a website. We expect to achieve first page results for two relevant search terms on <a href="http://www.google.com.au">www.google.com.au</a> or on <a href="http://www.google.com">www.google.com</a> with Australia or other suitable geographic definition in the search term within two to three months. Web Assets does not use any "tricks" to gain better search engine ranking and exposure. All websites optimised by Web Assets will meet all the criteria of the major search engines and will not be in any danger of being banned. We do not utilise link farms or any other web spamming techniques.</p>
